Registration 2012-13

Registration forms for 2012-13 will be sent home with your child today. The registration fee is \$50 per family for any children enrolling in our Rainbow Preschool, as well as grades kindergarten through grade six. We ask that you complete the forms and return them to the office by Friday, February 10, so that we can begin making plans for staffing assignments for next year. When completing the registration form, please include your children who are currently in sixth grade. This information will allow us to send your child's information this summer to the school they will attend as a seventh grader. The Authorization Agreement for Direct Payment of Tuition form is also included, but only needs to be returned to the school should there be a change in your account information.

Long Lake Conservation Camp

Mrs. Geisler's sixth grade class will be attending the Long Lake Conservation Camp near Palisade, Minnesota from February 13-15. The camp provides excellent hands-on Environmental Education experiences for the students. Our sixth graders will not be in school the following day, February 16, to give them an opportunity to rest after the rigors of the camp. The parents received forms and information earlier this week.

Peanut Allergies

I would like to thank each of you for your support in our attempts to provide a peanut-free environment at SEAS. It has come to my attention that some of the Hostess bakery items on the list you received may contain peanuts or their by-products. Please read the labels of their products to be assured they are in fact peanut-free.
